

## Ring 2 Fun Classes

For dogs whatever their breed or combination of breeds. Unlike the Pedigree classes, the dogs are not judged to any breed characteristics, so everyone has an opportunity to impress the judge.

**Classes 9 & 10.** These classes will be judged on how well the young handlers look after their dog in the ring. They may be asked simple questions about their dog.

**Class 11.** The occasion for you to show your mature four-legged friend in a class of similarly worldly wise grown ups.

**Class 12.** For any dog or bitch that is now settled into your home after a difficult change in circumstances.

**Class 13.** for all the males to show off their looks and bearing.

**Class 14.** As above but for the girls.

**Class 15.** The opportunity for the youngsters of 6-12 months to charm the judge.

**Class 16.** The chance for all the dogs and bitches to demonstrate their health and fitness.

**Class 17.** The moment for your dog to show its favourite trick.

**Class 18.** The time for each dog or bitch to step out around the ring.

**Class 19.** The opportunity for you and your dog to win that RED rosette.

**Class 20.** Don't worry that the judge will rush off with your dog, but be flattered that your friend is the judge's choice.

All first place winners from Classes 9-20 in Ring 2 are eligible to compete for Best of the Fun Classes.

Please ask when making your entries if you are unsure which classes are best for you.

- The Shows are open to pedigree and non pedigree dogs.
- Classes in Ring 1 are for pedigree dogs whether or not they are Kennel Club registered.

- Judging starts at the same time in BOTH Rings. Please enter classes in both rings but let the Ring Steward know if you are concerned that you might miss a class in the other ring.

## **ABOUT THE CLASSES:**

### **Ring 1. Pedigree Classes.**

- For dogs of a single recognisable breed. The dogs will be asked to stand to let the judge look at their shape, mouths and coats, and to trot around the ring on the lead to show how they can move.
- **AV** means Any Variety or breed of pedigree dog. Therefore any breed of pedigree dog or bitch can enter Classes 1 and 2 if they are within the age range, and Any Variety, or breed, of Gundog can enter Class 3, while Class 8, AV Open, is open to any pedigree dog or bitch of 6 months or more.
- Only dogs which have been placed First in all the **Pedigree** classes in which they compete are eligible to compete for Best Pedigree.
